

EMERGENCY MEETING DE SMET COMMON COUNCIL  
June 7, 2019

The De Smet Common Council met in special session on June 7, 2019, at 7:00 a.m., with the following present: Bret Jensen, Alex Botkin, Lowell Hansen, George Cavanaugh, Norman Whitaker, George Cavanaugh, Finance Officer Tracey Larson, Event Center Director Kristy Hubbard, Randy Asleson, and Buildings/Parks Supt. Cole Munger arrived later. Absent: Mayor Gary Wolkow.

Council President Whitaker called the meeting to order at 7:00 AM.

**POOL:** The council was informed that during pool preparations for the season, one of the filters started leaking. When attempts were made to stop the leaking, the leak worsened and a second filter also started leaking. MC&R Pool was contacted regarding the filtration system. The current filtration system is 20 years old. The pool cannot operate with the current filtration system in its current condition. An estimate to replace the current filter system and valves was presented to the council in the amount of \$18,000.00. Finance Officer Larson reported that with cuts to other projects that were put in the contingency budget, the filtration systems could be funded and the other projects could be put into the 2020 budget. Motion was made by Slater, seconded by Jensen, to approve MC&R Pool replacing the pool filtration system and valves in the amount of \$18,000.00, all voting aye, motion carried.

**ADJOURN:** There being no further business the meeting was adjourned on motion by Botkin.
